### NEW CONTENT

It's been several months since the previous newsletter from Carers Online, this was due to a change in staff. Lynda Mangoro the previous web developer has departed and her replacement is now Geoff Anscombe. We apologise that the newsletter went temporarily out of service, however it is now back every three months. There have been a few changes on the web site and I shall try and keep them brief, and most current.

- 08/09/05 - A new [Noticeboard](#) was added to the website.
- 25/01/06 - The [Noticeboard](#) was archived/sorted to separate the months and make page loading time quicker.
- February 2006 - [About the Site](#) page changed. Instead of one full page, it has been made into more readable page sections, and [Our Partners](#) added.
- March 2006 - [Carers Information Bus](#) added as a link on the home page, here you can download the latest timetable in pdf format.
- March 2006 - [Carers Jobs in West Sussex](#) added.
- 06/04/06 - The [News](#) was archived/sorted to separate the years and make page loading time quicker.
- 11/05/06 - A more comprehensive [Links Directory](#) was added to the site and given it's own link on the main menu. The Link Directory enables you to access other websites that might be useful. There are categories specific to West Sussex, across the whole UK or even worldwide.
